

EMPIRE KENYA

20th November 2025

STATEMENT ON GENETICALLY MODIFIED ORGANISMS (GMO)

This is to confirm that the Tea products supplied to you are produced without the use of genetically modified organisms (GMOs) and are fully compliant with applicable GMO regulations in the European Union and the United States.

The products meet the requirements of:

EU Regulations

- **Regulation (EC) No 1829/2003** – genetically modified food and feed
- **Regulation (EC) No 1830/2003** – traceability and labeling of GMOs

U.S. Regulations

- **FDA** guidance on voluntary “Non-GMO” claims
- **USDA** National Bioengineered Food Disclosure Standard (NBFDS)

No genetically modified ingredients, raw materials, additives, or processing aids are used in the production of these products.
